

SAFETY INSTRUCTIONS

masunt M Code Key safe & Key vault (all models)

The product may only be used for its intended purpose. Modifications or tampering with the product's hardware by the end user may void product liability and warranty.

The product must be mounted on a stable wall or surface that can withstand the loads. Installations in unsuitable locations (e.g. easily removable or unstable surfaces) represent a source of danger.

Access codes must always be kept safe and should only be made available to authorized persons to avoid misuse.
